The Dash MATE ® is unique in that it does not have a hard backing. The Ultimat ® fabric is so advanced it holds it's molded shape without the need for potentially damaging hard backing. The fabric not only breathes, it also absorbs unwanted toxins that are emitted from the vinyl of the dashboard and cause discolouration if left trapped underneath the dashmat.

I eventually took the car back to Audi (out of warranty) and found out that the dash is similar to TT's and a recognised fault had been identified by Audi and I had the dash replaced for free. Unfortunately today I have found another fault where the fan in the engine compartment now stays on and the batt runs flat.
