A World to Win | Review | Books | A very British strike

The 1926 general strike in the United Kingdom was a general strike that lasted nine days, from 4 May to 12 May 1926. It was called by the General Council of the Trades Union Congress in an unsuccessful attempt to force the British government to act to prevent wage reductions and worsening conditions for 1.2 million locked-out coal miners. Some 1.7 million workers went out, especially in transport and heavy industry. The government was prepared, and enlisted middle class volunteers to maintain es
