Are We There Yet Reflections

We are all children bleating at God, "Are we there yet? When are we going to get there? Why aren't we going any faster?" The more we recognize that we are not in control and that we don't know what the itinerary really is, the more likely we are to put our faith and trust in a loving God rather than rely on ourselves alone on the journey.

There is an appointed time for everything, and a time for every affair under the heavens. (Ecc 3:1) or, maybe like me you remember this little ditty: To everything (turn, turn, turn) There is a season (turn, turn, turn) And a time to every purpose, under heaven (The Byrds) We are deep into a season within the Church that seems so....well, ordinary.

Congratulations, everyone!!! We've made it. It's been a tough semester at University of Baltimore for the 20 or so of us in the six-credit graduate course Words & Images. It's one of the requirements for the Publications Design major, and it's earned a reputation over the program's 30-years existence as the dreaded Saturday class. I...

I asked myself and others "how much longer?" and "are we there yet?" when I was going through the terrifying stage one and then again when we seemed stuck in the never ending stage two. I continued wondering how much longer as my daughter experienced paralyzing social anxiety, exercise compulsion, weird phobias, PTSD, sensory integration disorder, and started struggling in school.

The year 2016 has been a fairly strange one; the UK voted to leave the European Union, David Cameron resigned, we had our second female prime minister, many ministerial heads shuffled, the pound crashed, stock markets went up at their highest and Lynn Homer of HMRC retired! There is much to do to progress Britain into prosperity for the future...

Back when Cataclysm released I made a big push to try and get one of the Realm First profession achievements, but I didn't do any research so I was pretty sure that I wouldn't be able to max out any of the usual ones. So I settled on trying to get Archaeology.. However I also didn't do any research on that, so I kind of spent the first day of my expansion just flying around as fast as I ...
