A barber's pole is a type of sign used by barbers to signify the place or shop where they perform their craft. The trade sign is, by a tradition dating back to the Middle Ages, a staff or pole with a helix of colored stripes (often red and white in many countries, but usually red, white and blue in the United States). The pole may be stationary or may rotate, often with the aid of an electric ...

While indeed very similar across the audio spectrum to the venerable and reliable Sony MDR-V6, there's a world of difference in the K701's audio performance. Although sonically almost identical in the reproduction of my masters, the MDR-V6s now feel compact, lacking the refined spatial depth and definition of the K701s.
