### Chapter 15 Operations Strategy Nigel

The Global Enviornment. Although the terms international, global multinational, and transnational tend to be used interchangeably, there are distinct differences. First, a domestic market is one in which a product or service is sold only within the borders of that country. An international market is one in which a company may find that it has saturated the domestic market for the product, so ...

The Republic of Korea has achieved remarkable success in combining rapid economic growth with significant poverty reduction. The government of Korea's policies resulted in real gross domestic product (GDP) growth averaging 7.3% annually between 1960 and 2019. This strong performance was fueled by annual export growth of 16.0% on average from 1961–2019, while savings and investment rose to ...
