Read PDF Chapter 16 The Scientific Revolution

Limbrick 1988 notes that 630 editions, translations, and commentaries on Galen were produced in Europe in the 16th century, eventually eclipsing Arabic medicine there, and peaking in 1560, at the time of the scientific revolution. By the late 15th century, the physician-scholar Niccolò Leonicensio was finding errors in Pliny's Natural History.

History of scientific method - Wikipedia

The keen competition for funds causes principal investigators to reserve their research funds for only those things that contribute directly to the scientific output of a given project. It is almost invariably counterproductive to individual programs to allocate funds to general support
