Common Core State Standards Pacing

Learn why the Common Core is important for your child. What parents should know; Myths vs. facts

Home | Common Core State Standards Initiative

These standards are called the Common Core State Standards (CCSS). Having the same standards helps all students get a good education, even if they change schools or move to a different state. Teachers, parents, and education experts designed the standards to prepare students for success in college and the workplace.

Common Core State Standards - Resources (CA Dept of Education)

by the Common Core State Standards Initiative for rigor and alignment with the California standards. Based on the evaluation, the Commission inserted words, phrases, and select California standards to maintain California's high expectations for students. On July 15, 2010, the Commission recommended that the SBE

California Common Core State Standards

The Standards for Mathematical Practice describe ways in which developing student practitioners of the discipline of mathematics increasingly ought to engage with the subject matter as they grow in mathematical maturity and expertise throughout the elementary, middle and high school years.

Welcome to EngageNY | EngageNY

The Common Core is all about foolish consistency and runs a super-freeway through all the little hills and dales of student individuality. It represents a top-down approach to education reform. While supporters proclaim that the Common Core is a set of standards, not a national curriculum, seasoned educators know otherwise.

12 Reasons Common Core Falls Short | Thomas Armstrong, Ph.D.

The 2010 Core Knowledge version will still be available, but the Common Core aligned and updated version is recommended for use with students beginning in the 2013-2014 school year. The CKLA-NY is clearly aligned to the Common Core, and there are differences in content, rigor, and pacing.

Most people have heard that mental and behavioral health struggles are increasing, especially for our youth. According to the 2019 North Dakota Youth Risk Behavior Survey, 61.2 percent of high school students reported their mental health was not good on at least one day during the 30 days before the survey. And, the percentage of students who have seriously considered attempting suicide, has ...
