No longer simply an academic matter, critical race theory has become a tool of political power. To borrow a phrase from the Marxist theoretician Antonio Gramsci, it is fast achieving "cultural hegemony" in America's public institutions. More and more, it is driving the vast machinery of the state and society. If we want to succeed in opposing it, we must address it politically at every ...

If you haven't heard of the text before, do a pre-reading exercise. Start with the title and write about what you think it means. Some essays have strange titles, like David Foster Wallace's "Consider the Lobster." If your professor assigned something with an interesting title like that, you'll have plenty to write about.
