Coraline By Neil Gaiman University

Coraline by Neil Gaiman is a weird and delightfully scary fairy tale/ghost story. I call it "delightfully scary" because while it grips the reader's attention with creepy happenings that may cause a case of the shivers, it is not the kind of scary book that leads to nightmares of the "it could happen to me" kind.

CORALINE DISCOVERED THE DOOR a little while after they moved into the house. It was a very old house—it had an attic under the roof and a cellar under the ground and an overgrown garden with huge old trees in it. Coraline's family didn't own all of the house—it was too big for that. Instead they owned part of it.
