The Chinese imperial examinations, or keju (lit. "subject recommendation"), was a civil service examination system in Imperial China for selecting candidates for the state bureaucracy. The concept of choosing bureaucrats by merit rather than birth started early in Chinese history but using written examinations as a tool of selection started in earnest during the mid-Tang dynasty.

### Imperial examination - Wikipedia

A hero is confident in his strength, but pride goes too far when a human challenges the gods. Universal questions are deeper or more difficult questions about life. The test is set out to gauge your knowledge with examples of the Greek culture, which have a wide range of fictional characters.
