Countries and  
Concepts: Politics,  
Geography, Culture is a  
critical examination of  
comparative politics  
and political systems.

The text rejects  
theories of smoothly  
functioning systems  
and embraces the  
mistakes that countries  
inevitably make, taking  
a skeptical approach to  
understanding

candor and spirit, this 8th edition of Countries and Concepts simply observes that politics is composed of human conflicts or quarrels, forming patterns that can be studied.

Analyzing four European nations and Japan at some length and four Third World nations more briefly, this text studies the history, institutions, and political culture of each.
