It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

For the floor Red Sea Crossing above, I purchased 4 yards of the shiny blue fabric and 2 yards of fabric for the dry ground. Cut the blue fabric in half, so you have 2 pieces 2 yards by whatever the yardage is (48"?). If your 'water' fabric frays like mine, I folded over the edges and sewed the sides where I just cut.
