Arthur (Or the Decline and Fall of the British Empire), often referred to as just Arthur, is the seventh studio album by English rock band the Kinks, released in October 1969. Kinks frontman Ray Davies constructed the concept album as the soundtrack to a Granada Television play and developed the storyline with novelist Julian Mitchell; the television programme was never produced.

The Romans and their empire at its height in 117 CE was the most extensive political and social structure in western civilization. By 285 CE the empire had grown too vast to be ruled from the central government at Rome and so was divided by Emperor Diocletian (284-305 CE) into a Western and an Eastern Empire.

Its efforts were unsuccessful and Australian policy towards native land rights developed in a markedly different way to that of the rest of the Empire. Part of the explanation for the difference may lie in the fact that rather than implying mere emptiness, terra nullius could also be interpreted as an absence of civilised society.

During the time of Jesus in first century Israel, there were tax collectors and publicans who could walk up to a man and tax him for what he was carrying, and much more. These tax collectors were hated and despised because they were usually fellow Jews who worked for Rome. There were many taxes needed from the provinces to administrate the Roman Empire.
