Welding Equipment Hire: Arc, Spot & Stud Welder Machines ...
The space capsule fails the wind test -- many of its louvered exterior heat shielding panels fly off. Mary and the engineers examine it and the head engineer, Karl Zielinski , muses that they could use a corrugated heat shield. Mary suggests that they try different fasteners for the existing panels instead.

Hidden Figures (2016) - Plot Summary - IMDb
This book pretty well has every bit of information that could be useful in everyday life, things from chemistry, mathematical formulas, electrical wiring, tools, fasteners (bolts, screws nails, and their best uses), there's airport codes in it, area codes, glues, solvents and paint, general science, conversion tables, and even knots.

Serious misconduct. Fair Work Regulation 1.07 defines serious misconduct. Serious misconduct is conduct that is wilful or deliberate and that is inconsistent with the continuation of the employment contract. It is also conduct that causes serious and imminent risk to the health and safety of a person or to the reputation, viability or profitability of the employer's business.
