### Fashion Branding Identity Guidelines

- The academic and marketing identity (what most would think of as the main identity). - The athletics or mascot identity. Not designed by Peter and very clearly just for and controlled by the athletics department. It is one of the better animal identities because it is not growling or waving a fist or too cartoonish.

### Brand Identity style guide documents | Logo Design Love

A brand is a name, term, design, symbol or any other feature that identifies one seller's good or service as distinct from those of other sellers. Brands are used in business, marketing, and advertising for recognition and, importantly, to create and store value as brand equity for the object identified, to the benefit of the brand's customers, its owners and shareholders.

### Brand - Wikipedia

Branding pro Marty Neumeier defines a brand identity as "the outward expression of a brand, including its trademark, name, communications, and visual appearance." To us, a brand identity is the sum total of how your brand looks, feels, and speaks to people. (Sometimes that even includes how it sounds, tastes, feels, and even smells.)
