Feminism in Our Time: The Essential Writings, World War II ...

While most feminist theorists throughout history have been women, people of all genders can be found working in the discipline today. By shifting the focus of social theory away from the perspectives and experiences of men, feminist theorists have created social theories that are more inclusive and creative than those that assume the social actor to always be a man.

Nonfiction Book Review: Feminism in Our Time: The ...

The view of feminism represented by Freeman is not one agreed by all. Christine Hoff Sommers in her book Who Stole Feminism? acts as if it is a movement with one rightful owner, as she tries to demonise much of the work of second wave activism - 'credos and intellectual fashions come and go but feminism itself - the pure and wholesome article first displayed at Seneca Falls in 1848 - is ...

Second Wave Feminism | Literary Theory and Criticism

In this lab meeting, six feminist scholars who engage with the sciences from various perspectives and have been collaborating over the last decade as members of the NeuroGenderings Network, share a sustained discussion on the responsibilities of a feminist scientist—particularly in light of our current moment. In a time when ongoing acts of anti-Black racism and police brutality have ...
