Quality. Fluke, The two go hand-in-hand. I wanted a meter to keep in the garage, but didn't need a 189 or scope/meter like I have in my project room. The 15-B fit the bill. The display is large and backlit. The probes are very flexible and will last a lifetime. The meter is accurate against my high-end Flukes.

The compressor broke down and was replaced on 2/4/19. I purchased the repair warranty so all parts and labor were covered. My warranty has since expired (5/20/20). Today, 10/12/21, the compressor that was replaced stopped working. Sears repair tells me the part is covered but not the labor because the compressor is under warranty for 10 years.
