Introduction. The term collective trauma refers to the psychological reactions to a traumatic event that affect an entire society; it does not merely reflect an historical fact, the recollection of a terrible event that happened to a group of people. It suggests that the tragedy is represented in the collective memory of the group, and like all forms of memory it comprises not only a ...

Terminology. The terms used for male prostitutes generally differ from those used for females. Some terms vary by clientele or method of business. Where prostitution is illegal or taboo, it is common for male prostitutes to use euphemisms which present their business as providing companionship, nude modeling or dancing, body massage, or some other acceptable fee-for-service arrangement.
