The reason English is spreading around the world at the moment is because of its utility as a lingua franca. Globish—a simplified version of English that's used around the world--will be there as long as it is needed, but since it's not being picked up as a mother tongue, it's not typically being spoken by people to their children. It is not ...

Definition and Examples of a Lingua Franca

Unlike many other businesses, the pandemic has not impacted Globish's performance, with continuous growth over the years and a peak in 2017. Most of its students are of working age and school students. This has changed though, with fewer employed people but three times more school students.
