Hopkins impulse 47235 brake controller manual by ...

The Hopkins controllers are somewhat prone to failing, when you replace it I would go with something a bit more reliable. For a brake controller I would recommend the Prodigy P2 Brake Controller part # 90885. This is our best selling brake controller because of how well it works and how easy it is to setup.

Troubleshooting a Hopkins Impulse Brake Controller Showing ...

You should check the brake controller connection under the dash to be sure it is wired correctly. The red wire should be inserted into slot A for 1999-2002 GM trucks or slot D for 2003 to 2006, and 2007 Classic body, GM trucks.
