Results. Attributes, antecedents, and consequences of trauma bonding were delineated and explained. It became apparent through this analysis that the concept of trauma bonding of adolescents exposed to CSEC is very different from other forms of trauma bonding, leading this author to a more precise term, trauma-coercive bonding. Trauma coercive bonding is a long process that is a developmentally ...

Where To Download Invisible Chains Overcoming Coercive Control In Your Intimate Relationship

The origin of the term refers to gaining control of land or other natural resources. Georgist economic theory describes rent-seeking in terms of land rent, where the value of land largely comes from government infrastructure and services (e.g. roads, public schools, maintenance of peace and order, etc.) and the community in general, rather than from the actions of any given landowner, in their ...
