### Journal Of Political Philosophy Submission

1. Historical Context and Developments. Current feminist political philosophy is indebted to the work of earlier generations of feminist scholarship and activism, including the first wave of feminism in the English-speaking world, which took place from the 1840s to the 1920s and focused on improving the political, educational, and economic system primarily for middle-class women.

1. Legitimate Authority, de facto Authority and Political Power. Let us start with the distinctions between political authority as a normative notion (or morally legitimate authority) and political authority as a non-normative notion (or de facto authority) and between political authority in either of these senses and political power. To say that a state has authority in the normative sense is ...

A political spectrum is a system to characterize and classify different political positions in relation to one another. These positions sit upon one or more geometric axes that represent independent political dimensions. The expressions political compass and political map are used to refer to the political spectrum as well, especially to popular two-dimensional models of it.
