ontology as well as references, see the supplementary document: Social ontology: History. 1.1 Ancient and Early Modern Debates on the Sources of Social Entities

Social Ontology (Stanford Encyclopedia of Philosophy)

Economic development has evolved into a professional industry of highly specialized practitioners. The practitioners have two key roles: one is to provide leadership in policy-making, and the other is to administer policy, programs, and projects. Economic development practitioners generally work in public offices on the state, regional, or municipal level, or in public-private partnerships ...
