Please do not return your brewer for servicing without first

Caring for your Brewer Descaling your Brewer ... - Keurig®

Using a single-cup coffee maker is usually as simple as popping in a coffee pod and selecting your desired mug size. You also need to know how to fill the unit's water reservoir so that coffee brewing is possible. Single-cup coffee makers have gained popularity among homeowners as well as workplaces and businesses, so it's good to understand their use even if you don't own one yourself.
