With Kindle Direct Publishing (KDP), you can self-publish your book on Amazon and start making money in as little as 24 hours. Sounds a whole lot better than waiting months or even years to find an agent, get a book deal, and go through all the rigmarole of traditional publishing for a printed book, right?

have a lower printing cost through partnership deals or owning a printing press, but a \$4.45 printing cost was used in the above calculations for both.. Regardless, you can see the major difference between the two: several dollars per book for a self-published author and sometimes not even a full dollar for traditionally published authors.
