Massage Therapy has an endless list of benefits for those of ALL ages. It can help to reduce stress, increase relaxation, improve posture and flexibility, just to name a few. With technology, we tend to sit more looking at our phones and computers, changing the natural curvature of the spine.

Atlas Registered Massage Therapy - Your Map to Wellness

Each massage is completely customized for your individual needs. That is why we do not charge different amounts for different styles of massage. Further, unlike most other providers, the time of the session you choose is what you receive. In other words, an hour massage is a full 60-minute session with your therapist.
