Me And My Dragon

Me & My Dragon is another great book to add to my pets story time. In fact, maybe I should have an unusual pets story time. The illustrations are great--so saturated with bright and bold colors. My favorite illustrations are the cover, walking the dragon, brussel sprouts, and dragon reading.

Me and My Dragon (Me and My Dragon, #1) by David Biedrzycki

When I was a kid, I wished I had a dragon just like the one in this book. For one thing, he would have eaten my brussel sprouts. Actually, that alone would have been enough of a reason. The dragon in "Me and My Dragon" is such a friendly dragon that my four year old son thinks he says, "Good morning, little boy. Have a wonderful day".

Me and my dragon, what fun it'd be
We could run in the meadow
or swim in the sea
We could ride the rapids, you could sit on my knee
We'd be happy and fancy-free, my dragon and me
Me and my dragon, we'd play in the park
We could soak up the sun, you could light up the dark
We'd have a blast and that's a Bear guarantee
