True overtraining is a central nervous system complication that is extremely hard to achieve. Opposed to the widespread idea that steroids somehow circumvent the issue, the truth is that synthetic hormones only aid with muscle recovery and protein synthesis. In other words, no juicing in the world can save you from real overtraining.

Overtraining: Mike Rashid Back Attack // Week 3 Full ...

Mike Rashid is a big believer in routines to prevent injuries. When he was younger, he felt invincible and wouldn't even warm-up before training. Now before each chest day, he will go through a variety of pressing motions with a resistance band. This takes extra time, but it can save your body in the future. ...
