6g72 engine problems

The 4D56 engine and Aisin auto are a great reliable combo. The pajero sport is doing really well in ownership reviews as well. Early 4D56s in the triton & challenger had overheating issues due to pitted blocks, but mitsubishi fixed them even years after warranty. Also, the Aisin auto is the best in the business for reliability.

Lifespan of modern Diesel engines? - What car to buy?

The midsize pickup truck is offered in 4x4 or 4x2 variants. Disregarding its facelift, from its former 2.5-litre Common Rail Direct Injection 4D56 diesel engine, it is now powered by a 2.4-liter in-line four diesel with Variable Geometry Turbo and MIVEC 4N15 engine only. Thus, leaving the truck with a single powerplant option.
