1. Spyderco Para 3. The Spyderco Para 3 shines as perhaps the best EDC pocket knife in the Paramilitary family. The Military came along as a 4" behemoth primed for war, hard use, and pretty much anything else you could throw at it. When the Paramilitary 2 dropped, people couldn't get enough. With a more practical blade size, 4 way reversible clip, and the incomparable Compression Lock, it ...

Anatomy of a Belt. The vast majority of belts (once you've moved beyond the simple string) have two parts: the buckle and the strap. Many belts also have a keeper loop and/or an end tip (the end tip is usually metal, or leather on cloth belts). The end tip protects the end of the belt from being damaged/frayed and can make it easier to buckle.
