**Religious Literacy: What Every American Needs to Know--And ...**  
Religious literacy, in short, is both doctrinal and narrative; it is conveyed through creeds and catechisms, yes, but also through creation accounts and stories of the last days.<sup>24</sup> Like other forms of literacy, religious literacy is more a fluid practice than a fixed condition.<sup>25</sup> It is the ability to participate in our ongoing conversation about the private and public powers of religions.

**Religious Literacy: What Every American Needs to Know--And ...**  
The United States is one of the most religious places on earth, but it is also a nation of shocking religious illiteracy.Only 10 percent of American teenagers can name all five major world religions and 15 percent cannot name any.Nearly two-thirds of Americans believe that the Bible holds the answers to all or most of life's basic questions, yet only half of American adults can name even one ...
