(I experienced this directly by living in Japan for 38 years and observing the Shinto emphasis on the beauty and the sacredness of the natural world.) But I don't know that such views are any better than, say, what was so clearly evident in St. Francis of Assisi--or than that expressed in recent years by Catholic friar Richard Rohr.

In Summa Theologiae II-II.168.2-4, Aquinas discusses the essential role that play and humor have in human life. They are necessary for the health of the individual, insofar as in their absence the mind becomes weary and tense. And they are necessary for the health of social life, which would be similarly strained without the ability to laugh and
