Creating an MLA Works Cited list. Published on June 7, 2021 by Shona McCombes. Revised on July 1, 2021. In MLA style, the list of Works Cited (also known as a reference list or bibliography) appears at the end of your paper. It gives full details of every source that you cited in the text. Like the rest of an MLA format paper, the Works Cited should be left-aligned and double-spaced with 1 ...

What can an ECG show? An ECG can help detect problems with your heart rate or heart rhythm. It can help doctors tell if you're having a heart attack or if you've had a heart attack in the past.. An ECG is usually one of the first heart tests you will have. It does have some limitations, so often you will have one or more other tests too.
