Where To Download Slide Ology The Art And Science Of Creating Great Presentations

slide:ology is designed as a reasonably comprehensive how-to guide on creating compelling visual material for presentations, promotional materials, and stories. The book is an easy read and visually very appealing. With a list price of \$34.99, I found the book to be a very affordable introduction to the world of the graphic designer.

The title of this entry is taken from a book written by Nancy Duarte: Slide:ology, The Art and Science of Creating Great Presentations. In a previous entry, I talked about how humans have evolved to survive in groups. This means that communicating ideas effectively is essential for our existence. This is even more valid in the sphere of business.
