Spirited Encounters American Indians Protest

Spirited Encounters provides a foundation for understanding museums, examines how museums collect Native materials, and explores protest as a fully American process of addressing grievances. Now that museums and American Indians are working together in the processes of repatriation, this book can help each side understand the other more fully.

Spirited Encounters: American Indians Protest Museum ...

Spirited Encounters is an interesting read regarding Native Americans and museums. It is also a very biased read and can illicit very strong emotions from the reader as you work through the book. The book details Native American protests in response to museum collections and exhibits, focusing only on the hurt feelings of Native Americans and how museums can revise their policies and practices ...

Spirited Encounters: American Indians Protest Museum ...

The result is that American museums have revised their long-held practices due to American Indian protests. Spirited Encounters provides a foundation for understanding museums and looks at their development to present time, examines how museums collect Native materials, and explores protest as a fully American process of addressing grievances.

Spirited Encounters: American Indians Protest Museum ...

In line with an earlier post about the repatriation of First Nation remains held in museums, I am happy to tell readers of the recent publication of a new book, by AltaMira Press, titled Spirited Encounters: American Indians Protest Museum Policies and Practices. The publisher's synopsis reads as follows (with minor edits): "During the twentieth century, dozens of protests, large and small ...

10+ Spirited Encounters American Indians Protest Museum ...

Spirited Encounters had a lot of great information regarding Native American cultures and their intersections with museums. This book covers the relationships between the two, the good and the bad. I had to have this book as a text for a graduate studies class, and I found it very helpful both in general application and for specific examples of interactions between Indians and museums.
