The Common Fisheries Policy The

What is the Common Fisheries Policy? The CFP is a set of rules for managing European fishing fleets and for conserving fish stocks. Designed to manage a common resource, it gives all European fishing fleets equal access to EU waters and fishing grounds and allows fishermen to compete fairly. Stocks may be renewable, but they are finite.

The Common Fisheries Policy (CFP) | Fisheries

The Common Fisheries Policy (CFP) is the fisheries policy of the European Union (EU). It sets quotas for which member states are allowed to catch each type of fish, as well as encouraging the fishing industry by various market interventions. In 2004 it had a budget of €931 million, approximately 0.75% of the EU budget. [citation needed]When it came into force, the Treaty of Lisbon formally ...

Common Fisheries Policy - Wikipedia

Fisheries of the United States compiles key statistics into a snapshot of fishing's importance to the nation. This report provides landings totals for U.S. recreational and commercial fisheries by species; it also has data on the U.S. fishery processing industry, imports and exports of fishery-related products, and domestic supply and per capita consumption of fishery products.

Fisheries of the United States | NOAA Fisheries

The fisheries policy for the EU is called the Common Fisheries Policy (CFP) and sets out the rules and laws that control and govern commercial fishing across the entire European Union. As fish move across the territorial waters of different nations the EU believes they are a shared resource and the common fisheries policy therefore sets standardised rules which apply to all EU member nations.

Common Fisheries Policy (CFP) | Britishseafishing.co.uk

The Common Fisheries Policy As an island nation fishing has always been economically and socially important to Ireland. The natural, clean water around Ireland's 7,500km of coastline has provided exceptionally good seafood for thousands of years, and it's important to protect it for future generations.

The Common Fisheries Policy | Ireland
