### The Corporation Documentary Review

"The Corporation" is not a film my dinner companion would enjoy. It begins with the unsettling information that, under the law, a corporation is not a thing but a person. The U.S. Supreme Court so ruled, in a decision based, bizarrely, on the 14th Amendment to the Constitution. That was the one that guaranteed former slaves equal rights.

### 'The New Corporation: The Unfortunately Necessary Sequel ...

In great detail, this Oscar-winning documentary explains how the same amendment that ended slavery after the Civil War also declared corporations to be "people" in the 19th century and how, if corporations are indeed people, they most closely resemble psychotics in their regard for others and the world around them.

### The Corporation Movie Review - Common Sense Media

The documentary is critical of the modern day corporation, its global economic dominance and the impact it is having on the environment. It considers the corporation's legal status as a class of person and evaluates its behaviour towards society as a psychiatrist might evaluate an ordinary person.

### Film review: The Corporation (2003) - Blue and Green Tomorrow

The points of view presented in the mainstream media are quite different from the actual realities associated with business corporations. The documentary is based on a book written by Joel Bakan titled The Corporation: The Pathological Pursuit of Profit and Power, and is made by the team comprising Mark Achbar and Jennifer Abbott.
