The Gods of Eden by William Bramley is a relatively old book written in 1989. It is interesting to note that his purpose was to search the origins of human warfare and not to write this kind of book. Something that is supported by the fact

that he hasn't written anything else since then.

The Gods of Eden by William Bramley - Goodreads

Custodians of ancient knowledge have long known that the mystery of humanity's origins is far more complicated than widely accepted notions of natural evolution. They tell us that the gods of Eden, the Annunaki, planned a destiny for us which is still being played out through our ongoing obsession with gold.

Discusses the thesis put forward by William Bramley in his book 'The Gods of Eden' that the basic cause of war,

genocide and conflict in history is not a viciousness innate in the human species but rather is the less-than-benevolent interference in human affairs by extraterrestrials. The Gods of Eden

The Gods of Eden - Serendipity

A must have for any conspiracy theorist, GODS OF EDEN makes a well-thought out argument for covert intervention throughout history by various groups and individuals. Even though some of the ideas and details presented may seem extraordinary, the extremely well researched book makes a solid case and could lead even disbelievers to question their own orthodox.
