The Public Sector Great Pension Robbery. Those, like the Arnold Foundation, who would like nothing more than to get their financialist mitts on public pension funds must first convince people that it would be “better” for the private sector to handle public employee pension funds, and to do so requires a concerted campaign of mis ...

The Great Pension Robbery Last weekend, I was delighted to speak at The Great Pension Robbery, a rally organised by the Women Against State Pension Inequality (WASPI) campaign. The Government has treated 3.8m women with disdain, implementing significant changes to pensions with no thought for the impact they would have on women who were born in the 1950s.
