For any other public school, October is homecoming season, with a spirit week centered around the most well-known American sport: football. While their hallways are lined with themed posters supporting student athletes, Dreyfoos is a different playing field: Students joke about black and gold collared uniforms and celebrate neon-strobed victories. Despite not being recognized as...

This lively anthology of spirited backtalk introduces the "reply poem" - a form in which the female subject of a male poet tells her side of the story. These poems are addressed to every level of the male-dominated poetry canon - from the Bible to Bukowski - and range in tone from wryly amused to fiercely outraged. Contributions to The Muse Strikes Back include work from Akhmatova, Atwood ...

Project MUSE - History Strikes Back

The Muse Strikes Back is often reviewed as a testament to identity politics. But one of the poets in the anthology is a male using a pen name. (I'm not the poet.) When will we come back to the obvious, good sense of an ordinary notion: The power of writing lies in the writers' skill and vision--not in the writers' identity?
