### The Road Taken The History

"The Road Taken", an engaging book about our nation's infrastructure, borrows its title (almost) from Robert Frost's poem, "The Road Not Taken", penned early in the last century. The book's chapters are phrases from that poem and author Henry Petroski fills them with a great deal of information about how our system of roads, bridges (and others) make America work....or don't make America work when they fail.
