Skeleton Man (TV Movie 2004) - IMDb

We hear about lots of religious myths, including that of the Skeleton Man, a bloody but well-intentioned spirit who taught the Hopi not to fear death. Best of all, the story has great momentum, culminating with a wildly dramatic scene in the Grand Canyon. This is one of my favorite books in a great series.

Skeleton Man (novel) - Wikipedia

The human skeleton, like that of other vertebrates, consists of two principal subdivisions, each with origins distinct from the others and each presenting certain individual features. These are (1) the axial, comprising the vertebral column—the spine—and much of the skull, and (2) the appendicular, to which the pelvic (hip) and pectoral (shoulder) girdles and the bones and cartilages of the limbs belong.
