Public Accountability. Major developments in the area of public accountability have taken place. In the absence of public accountability today, corruption is a low-risk and high- profit business. The Classical observation of the Supreme Court in D.D.A v. Skipper Constructions deserves special attention. The court observed.

Liability of State In Contract And In Torts

Personal injury is a legal term for an injury to the body, mind or emotions, as opposed to an injury to property. In Anglo-American jurisdictions the term is most commonly used to refer to a type of tort lawsuit in which the person bringing the suit (the "claimant" in English Law or "plaintiff" in American jurisdictions) has suffered harm to his or her body or mind.
